

ACRYLIC PAINTING WEEK-END WORKSHOP!

Saturday, October 28 and Saturday, October 04, from 9:30 am to 4:30 pm
in Murray River PEI at 1066 MacInnis St, next to the library.

Have you always wanted to try to paint?

*Because that was the way I felt for years and I never knew that I could **learn** to do it until I made the decision to try and even though I have been at this for 16 years, I am still learning. There is nothing like the feeling of finishing your first and second paintings and planning your next ten.*

You will learn about colour and how it affects everything, you will learn how to see all over again, to understand shapes, shading, highlights, how to take care of your equipment, what equipment to use and so much more.

Cost for the two days is \$140.00 and a list of supplies is listed under:
http://lorrainevatcher.com/page/acrylic_course_painting_supplies
Students are responsible to have their own supplies.
